"Just a line to say a huge 'Thank You' to yourself and the rest of the band for doing such a fantastic job for my birthday party. You were all wonderful. The selection and range of songs was brilliant, and the instrumentals and vocals were superb; everyone has told me they thoroughly enjoyed your performance..... Should anyone ask me if I can recommend a band for their function, I won't hesitate for a minute to tell them all about you!"

"This is just a note to thank you all so much for the excellent music you brought to my party. So many people told me on the night, and after it, how excellent the band was. And it's true. I feel I was really lucky to find you all. It wasn't just that the playing and singing were so impressive, it was also that you were all incredibly nice people and completely professional to deal with! So, what can I say? Thank you!
